

Table with columns: 種目 (Event), 1位 (1st Place), 2位 (2nd Place), 3位 (3rd Place), 4位 (4th Place), 5位 (5th Place), 6位 (6th Place), 7位 (7th Place), 8位 (8th Place). The table lists various boat racing events and participants from different schools, including their names and scores. The events are categorized by weight and distance, such as 100m, 200m, 500m, 1000m, and 1500m. The participants are listed in columns, often including their school names and the names of their coaches or officials. The table is organized into rows for each event, with sub-rows for different categories or groups within each event. The overall structure is a large grid of text, with headers providing context for the data presented.
